- M S

6/6/01

~ 10:50 AM

I called Graham Smith @ SEA
and left a message w/ my return
phone # asking for a different perspective
view of the second embodiment (through hole,
at the suture anchor-

MS

7/16/01

~ 9:50 AM

I called Graham Smith @ SEA
and left a message asking for
another figure 3A and that he
call me back

MS

7/17/01

~ 3 PM

Graham Smith returned my call & left a message.
I called him back and he indicated
that he would be faxing the new fig.
shortly

MS

7/20/01 ~ 1:45 PM

Telephone call to G. Smith

I left a message
@ Sam - asking him for

a schematic view of the suture anchor.

A handwritten signature consisting of a stylized 'M' followed by a checkmark-like flourish.

7/31/01 ~ 10 AM

Telephone call to G. Smith
asking for a schematic view of
the 2nd embodiment of the suture
anchor. He indicated that he would
fax it up over the next few days.

A handwritten signature consisting of a stylized 'M' followed by a checkmark-like flourish.
